# Thank you for considering a CASA of Collin County's Speakeasy Soirée sponsorship.

When you choose to sponsor CASA of Collin County's Speakeasy Soirée, you are investing in the only court appointed child advocacy program for children in our community as they journey through the complex child welfare system.

CASA of Collin County promotes and protects the best interests of children removed from their homes due to abuse and neglect and placed into the child welfare system by training volunteer court-appointed advocates to improve the child's quality of life and lift their voice within the court system. Last year, with the support of our community, CASA served a total of 323 children with 198 advocates. Volunteers traveled over 163,508 miles and dedicated over 15,495 hours of service to these vulnerable children.

Our vision is simple – **all children deserve a safe and loving home, free from abuse and neglect.**

CASA of Collin County's Speakeasy Soirée will raise vital funds to help continue serving 100% of children referred to our program with no delay.
