A Voice. A Champion. A Child Never Forgotten.

For 35 years, CASA of Collin County has stood beside children experiencing abuse, neglect, and foster care, ensuring they are not alone during some of life's most difficult moments. **CASA of Collin County is the ONLY nonprofit in Collin County appointed by the court to advocate solely for the best interests of children in the child welfare system through trained volunteer advocates.**

Every child deserves more than a case number. They deserve someone who listens, shows up, and stays.

Join us for an unforgettable evening of elevated cocktails, casino gaming, live entertainment, disco-inspired glamour, and meaningful impact.

Every sponsorship helps CASA volunteers provide stability, hope, and a voice for children in foster care throughout Collin County.
